## Appraisals Reminder!

Appraisals are back! We have recently received a schedule from **CBIZ**.

The schedule will follow prior years' appraisal dates starting with the oldest accounts first. Emails went out last week to the districts who will be getting appraised this year. CBIZ will be contacting the notified districts shortly to start the process, as they have done in the past! Please note that the appraisal process allows **NJSIG** to gather important underwriting data which we provide to our reinsurers. This data helps us to secure the best possible property pricing.

The districts being appraised this year will most likely be contacted by Kate Ford from CBIZ or another CBIZ Representative.
