

Exciting Update: Streamlined E&O Claims Reporting with NJSIG

Effective Today: July 1, 2024

We are thrilled to announce that beginning today, July 1, 2024, all Errors & Omissions (E&O) claims will now be processed directly by New Jersey Schools Insurance Group (NJSIG)! This change promises a more efficient and seamless experience for handling your claims.

How to Submit Your Claims:

Please send all E&O claims via email to FROI@njsig.org. Be sure to include all related documentation with your submission. This includes, but is not limited to, any filed complaints and petitions. Additionally, remember to complete and attach an ACORD form [ACORD form](#) with the submitted claim.
