

School Leaders Errors & Omissions Claims Handling to Move In-House with NJSIG Starting July 1

REMINDER! Effective July 1, 2024, the NJSIG Claims Department will begin adjusting all E&O claims made and reported to NJSIG on or after 7/1/24.

Members must report all known losses and incidents that may give rise to a potential claim to Summit Risk Services on behalf of AIG before 7/1/2024 as losses occurring after 7/1/24 will be excluded from coverage under the 2024-2025 NJSIG claims-made coverage document. **This includes reporting all due process petitions filed with the New Jersey Department of Education served on the Member prior to 7/1/2024.**

No substantive changes or reductions in coverage have been made to the 2024-2025 NJSIG coverage document. Effective 7/1/24, the NJSIG Claims Department will begin adjusting all E&O claims made and reported to NJSIG on or after 7/1/24. Summit Risk Services will continue to adjust all E&O claims made and reported prior to 7/1/24. Please report all new claims made on or after 7/1/24 directly to NJSIG (not Summit Risk Services).
