

November 2024

NJSIG would like to remind our members to continue to send all premium payments to the following NJSIG address, which is listed on all NJSIG invoices:

New Jersey Schools Insurance Group
6000 Midlantic Drive
Suite 300 North
Mount Laurel, NJ 08054

We send this reminder as there have been some payments sent to the wrong address. Please note that, in June of 2024, NJSIG's workers' compensation billing provider, Qualcare Alliance Networks, Inc., distributed a new billing address for the processing of workers' compensation bills. **This address change was related to workers' compensation bills only.** All workers' compensation bills for injured employees need to be sent to QualCare's new billing address: QualCare, Inc., PO Box 240819, Apple Valley, MN 55124.

Please continue to report all workers' compensation injuries to NJSIG's Intake Team at: 609-543-3377.

If you have any questions, please contact NJSIG at 609-386-6060.

Thank you!
