Complimentary offering.

Use access code **364264** when registering

2 Breach Plan Connect® – Breach Response Plan Builder

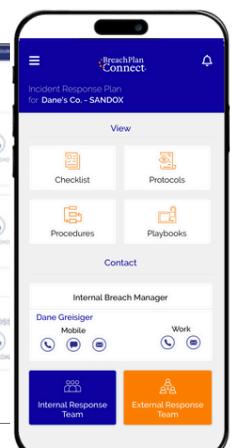

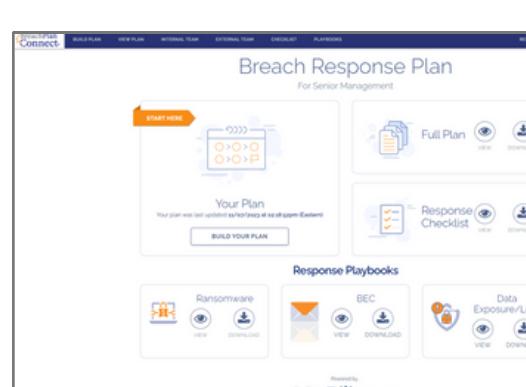

Be ready before you need to be. Entities without a tested plan face **30-40% incident response higher costs** after a cyber event

IR Plan Access When It Matters Most

- Out-of-band access** to your plan and contacts even if networks are down
- Role-based visibility** shows each plan member what they need to know during an incident
- Organized vendor directory** for fast, coordinated response
- Built-in insurance guidance** with claims steps and notification instructions

Breach Plan Connect®

Discounted member offer:
\$900/yr + 30-day free trial
